

Triple A Covid safety policy

We work with vulnerable people, so we need to always err on the side of caution.

If you have had any recent contact with someone who has tested positive for covid, please DO NOT enter this office or attend Triple-A events for 5 days. This is to allow time for Covid to develop, if you have contracted it.

Under those circumstances, please keep away from Triple-A for 5 full days, then complete a Covid test. Only come in if that Covid test is negative (= clear).

Thank you for your understanding and support
